

Marcelle Allen

Author of Financial Joy

Bring your team up to speed with the best social media syndication strategies using video, clever content and attention to cohesive design. In today's ever-changing digital marketplace, Marcelle has a unique style and passion when speaking to audiences ranging from entrepreneurs to corporations about crafting compelling campaigns and staying remarkable online.

As owner of Dreamosity, a social media training & management company, Marcelle teaches business owners and/or their teams how to embrace their own versions of "Digital You," all while abiding by company branding standards.

Raised and educated in the Pacific Northwest, Marcelle has a unique view of the technology industry in general, having been part of the corporate world before realizing that business ownership was her best fit. Her intelligence, wit and knowledge come across with compassion and a undeniable urge to educate.

Marcelle Allen is:

- Dynamic and down-to-earth
- Entertaining and funny
- High-energy and motivating
- Adaptive and knowledgeable across multiple markets and industries

Your Business will:

- Develop resiliency in today's digital market
- Better understand your sales territory in the social media eco-system
- Create a pathway within her Social Media Matrix framework
